

Maman Cafe Opens in Westport

The cafe was first opened in New York City in 2014 with locations following in Greenwich CT and now Westport. The menu features French-inspired dishes with 40+ seats for guests indoor and outdoor. “Our vibe is intentionally cozy yet chic with light-filled spaces, thoughtful design details, and a warm, welcoming atmosphere that encourages people to linger and connect,” co-founder Elisa Marshall said in a written statement. Created by husband-and-wife duo Elisa Marshall and Benjiman Sormonte, they felt that Westport was the “perfect fit” for their new location.
